

## Week's Sporting Events From Many Points

### USE "STRANGLE HOLD" SAYS QUEEN OF THE WOMEN WRESTLERS

PHILADELPHIA, March 18.—"When women are able to take care of themselves this will be a different world," declares Miss Blanche Whitney of Philadelphia, who claims to be the champion woman wrestler of the world. She does not confine her athletics to wrestling, however, as she also shines at fencing, bowling, boxing and as a gymnastic teacher.

"If a husband is cross and disagreeable," advises the stalwart Miss Whitney, "just put him on his back as fast as he can get up. It will make a gentleman out of him in no time."

"This clinging vine stuff is all right, but, believe me, the woman is a winner who can look her husband in the eye and say: 'What about the coin for that new dress. Do you come across like a little man, or do I throw you down and sit on you while you make up your mind?'"

"Think how different the world would be if such scenes were common. The strangle hold might be useful in case hubby came home late at night."

While Miss Whitney, who weighs some 155 pounds, would appear to be booked for a leading role in that future city when the suffragettes have their way, she is not at present enrolled under their banner.

"I can take care of myself without a vote," is her idea.

"Fencing is the best exercise for women," declares this woman expert. "It develops every muscle, destroys obesity, and makes the eye quick. It is easy to learn, the secret being constant practice. Fencing is the greatest developer of the style and gracefulness which is most admired in women."

"Another exercise I love is bowling, and my average is something like 180."

Miss Whitney is ready to do battle in defense of her title as champion woman wrestler of the world.

### SCRAPPERS PLEAD

GUILTY AND PAY FINE OF \$25 EACH

VICTOR, Colo., March 18.—Peter Jensen of Denver and Charlie Ross of New York City, whose fight here Monday night was stopped by the sheriff, pleaded guilty of prize fighting today and were fined \$25 and costs each.

### HIGH PRICE IS PAID FOR SPORTS BY BIG COLLEGES

CAMBRIDGE, Mass., March 18.—A comparison of the cost of athletics at Yale and Harvard shows that Yale spends about a third more money every year than Harvard on each of its big athletic teams. It cost the Cambridge university \$127,945 to run athletics last year, or about \$125 a day for the ten months through which the college season lasts.

The football expenditures were approximately \$31,000, an average of about \$1000 a man to the squad of thirty-one players. Track athletics cost \$9000; baseball, \$11,000, and rowing, \$15,000.

At Yale the appropriation for football was \$40,000. It meant that for every man who got into a "championship" game, as the contests with Harvard and Princeton are called, \$2500 was expended. On baseball Yale put out a total of \$23,000, while track athletics cover \$13,500. Rowing is practically a flat financial loss, since no admission can be charged, and more than \$20,000 is appropriated each year for it at New Haven.

### "KID MC COY" TO MAKE AN EFFORT TO "COME BACK"

PHILADELPHIA, March 18.—"Kid" McCoy will get his chance to prove that he has "come back" next Monday night. Jack O'Brien, manager of the American Athletic club, announced last night that McCoy has been matched with Jack Fitzgerald of Philadelphia.

### RED SOX TEAM FROM BEAN CITY TO PLAY IN RENO

RENO, March 18.—The Boston Red Sox baseball team, which has been playing in California, will arrive in this city Monday, March 27th and will, on that afternoon, meet the nine of the University of Nevada.

The Nevada college has an excellent team this year and all of the local players hope to defeat the Boston players. Knight will pitch for Nevada. Fletcher will catch and Bennett will play first base.

An effort will be made to have a large crowd present at the game and to give the ball fans an opportunity to witness some real classy ball playing.

### MATHEWSON HAS A NEW BALL, THE "SLOW SPITTER"

NEW YORK, March 18.—Fans here have received news of a new ball developed since last season by Christy Mathewson of the New York Nationals.

It is declared a wonder by friends of the Giants' star pitcher, who is said to be getting it into perfect shape at the Marlin training camp.

The ball is described as a very slow double dip. The sphere is said to "float up to the batsman with all the seams showing." Just in front of the plate it does a double dip so deceiving that even the catchers miss it until after considerable practice.

Mathewson throws this ball after wetting his fingers and the Giants have christened it the "slow spitter."

### NELSON VS. BRITT BET YOUR MONEY TAKE YOUR CHOICE

PHILADELPHIA, March 18.—In the week of April 24, Jimmy Britt and Battling Nelson, until recently holder of the light weight title, will meet in a fight at Jack O'Brien's club. Nelson beat Britt in California and the two once more will endeavor to see who is the best man.

### FRENCHMAN SEEKS DRIVING SCALP OF LIL ARTHUR JOHNSING

CHICAGO, March 18.—Arrangements were completed this week for an automobile race between Emile Brouard, the French driver, who is in Chicago now, and Jack Johnson, the heavyweight pugilist. The race will take place at either Los Angeles or Oakland within four weeks. It will be for 100 miles, and both contestants are to drive 90 horse-power machines.

### INDIAN MARATHON CHAMPION WEDS DUSKY MAIDEN

GRAND JUNCTION, Col., March 18.—Saul Halyve, the Indian marathon runner and holder of the ten-mile amateur record, and Miss Josie Sekongienia, an Indian maiden, were married here today. The bride and groom were born on the same reservation in Arizona and have been attending the government Indian school here.

### SPORTS CARNIVAL TO BE FEATURE OF CORONATION

NEW YORK, March 18.—The most notable athletic event of the year in English will be the amateur sports carnival in connection with the coronation festivities. According to notices received at the offices of the Amateur Athletic Union here, the meet will be held under the auspices of the council of the festival of empire in the Crystal Palace, London.

The program follows: Running—100 yards, 220 yards, 880 yards, one mile and 120 yards hurdles; swimming—100 yards and one mile; wrestling—catch-as-catch-can; middle weight boxing; heavy weight boxing. Lawn tennis is also on the program.

### BOXING GAME IN NEW YORK UNDER PROBE

NEW YORK, March 18.—There were indications during the week that the authorities are planning closer scrutiny of boxing bouts in New York City in the so-called athletic clubs.

Summonses were issued for Tom O'Rourke, manager of the National Sporting Club of America; Pat Moore and Sammy Smith, principals in a bout and "John Doe," referee, and "John Doe," timekeeper. They are returnable today.

Complaint were lodged also against four police captains and three inspectors for alleged negligence in not taking necessary evidence regarding fights.

### NEAR-MANAGER TAKES POT-SHOT AT LITTLE AUSTRALIAN SCRAPPER

NEW YORK, March 18.—The police are searching today for a man who fired three shots at Ted Nelson, the Australian prizefighter, several night ago.

Nelson, who came to this country about six months ago, was seated in an uptown restaurant when a man rushed into the place and said:

"Well, I've got you," firing three shots from a revolver. He got away and has not been seen since. Nelson told the police that his assailant was a former applicant for a job as manager, with whom he had quarreled over money matters.

## Household Hints for the Busy Housewife

### TRIED RECIPES.

If fruit or vegetables have been burnt or scorched while cooking, take stew pan and set in a pan of cold water (the colder the water the better). Remove lid and leave stew pan in the water about five minutes, then turn contents into another sauce pan. This prevents a burned taste or smell.

**Pineapple Pudding**—Soak one cup of pearl tapioca over night in one quart of water; in the morning add one cup of sugar; put in double boiler and cook until tender (cook in same water as soaked in); then add one cup of grated pineapple; turn in dish to cool; serve with whipped cream. Makes a delicious dish and one that is easily prepared.

**Rabbit Fricassee**—Carefully clean, then disjoint and cut in pieces. Put a tablespoon of fat salt pork chopped or pork drippings into an iron pot and when hot put in the rabbit and brown. When almost brown add two small onions sliced and let them color. Add two tablespoons flour and brown thoroughly. Now add one quart hot soup stock or hot water, cook for ten minutes, then season with salt, pepper, bay leaf and a suspicion of cayenne and put back on the stove, where it will simmer gently for two hours, or until the meat is very tender. Just before taking from the fire enrich the gravy with a half cup or more of thick cream with a little nutmeg grated in it. Stir well and take at once from the fire before it curdles. Put the pieces of rabbit in a hot dish with a border of hot boiled rice and pour the gravy over them.

**Creamed Chicken**—One pint of chopped cooked chicken, three tablespoons of butter, three hard-boiled eggs, one tablespoon of chopped parsley, one tablespoon of flour,

one cup of cream. Salt and pepper to taste. Melt the butter, add the flour. Stir until blended. Add the chicken and the cream. Stand over hot water, and when the mixture is thoroughly heated add the yolks of the eggs, put through a press and rubbed smooth with a little cream. Add the whites chopped fine and let the mixture come to the boiling point.

**Stuffed Green Peppers**—Take a dozen large green peppers and put in an oven 15 minutes; take out and remove skins, then the inside. Stuff them with the following preparation: Cold chicken or any roast minced fine, a finely chopped onion, a little Spanish pepper. Then roll in cracker crumbs, dip in egg-batter and fry in hot lard, butter or olive oil. Grate some cheese over them, garnish with lettuce and then serve.

**Egg Soup Dumpling**—Place frying pan or spider on the fire; put in one cup of water, one large tablespoon of butter, half a teaspoon of salt, small quarter teaspoon of ground nutmeg. Let it come to a boil, then add one cup of flour; stir and rub until free from lumps. Then put into a bowl and let cool. When cool add three eggs, one at a time. When eggs have been thoroughly beaten in let it stand for 10 minutes; then drop pieces the size of a walnut into the boiling soup.

### FADS AND FANCIES.

The sailor collar is quite the thing, as everyone knows, but the extreme which it sometimes reaches is remarkable. The flimsy collar is quite the latest mode. The beautiful coat is of chiffon fashioned for summer wear, while the collar is of the filmy fabric which reaches far below the waist line and is edged with fur trimming. A summer eve-

ning coat with fur is another innovation.

Many and varied are the fashionable whims for the woman who motors, though perhaps the newest of these is the dear little "Picola" sunshade, which may be stored into the tiniest of places, and when opened forms an ample protection from the wind and sun rays.

A pretty touch on flowered chiffon or organdie frock are stiff velvet two-looped bows to hold draperies on bodice front and back. Square rhinestone buckles replace the knot, or newer are handsome old cameo brooches rimmed with gold.

A stylish outing hat has the rim turned up deeply all around in basin shape and no trimming but a band of black velvet or satin edge on each side with narrow knife plaiting in white satin. At the left side is a shirred square buckle of white through which one end of the velvet extends.

One of the new picturesque hats is quite flat directly over the middle of the forehead and slopes in broad wings at side much like a Dutch peasant cap. A short, broad aigrette gives height in the middle. This hat frames the face as closely as a cap and is distinctly trying to most women.

Lovely among summer fabrics are white cotton marquisettes with eyelets worked in all the new colors.

### HOUSEHOLD HINTS.

Use a wire potato masher to cream butter and sugar for cake.

Use dry salt sprinkled on carpet to rid it of fleas, and to brighten use covers made of cheese cloth run together, size of beds, when sweeping.

Use child's sun bonnet as cap to

keep dust from hair.

Use legs of dark stockings folded and sewed in shape as holders for kitchen stove.

Use squares made of old table linen to cover ends of table cloth in use. It keeps a table cloth neat for many a day.

Make list of seasonable desserts and hang up in kitchen as a reminder.

Make book of holiday hints as aid for Christmas work. My book is beyond price. Chip ideas from journals. I include illustrations and holiday cooking as well.

Make a laundry list of coarse paper, ruling spaces for number. It will last a year by cutting off used spaces and ruling next page.

Make knitted square of worsted and fold once over, seaming the ends to form a slumber shoe. Crochet around loose edge, leaving space to run ribbon, and add shell border. It fits the foot perfectly and is charming.

When cooking greens and cauliflower always put a piece of stale bread crust in sauce pan. It will take away all the unpleasant smell; remove with a spoon before taking up greens.

A cracked egg can be safely boiled if wrapped in a piece of greased paper.

To scale fish—If you your scalding water over fish you wish to dress, you will find it will scale twice as quickly. Dash the water on and do not let the fish stand in it a moment.

Celery can be kept for a week or longer by first rolling it up in brown paper, then, in a towel and keep wet in a dark, cool place. Before preparing for the table place in a pan of cold water and let remain for an hour. This will make it crisp and cool.

Fish Chowder—One layer of onions, cut fine, one layer of bacon, cut fine; one layer of bread, buttered; one layer of potatoes, cut in quarters; one layer of any kind
